

Girl Scouts of Green Hills Council

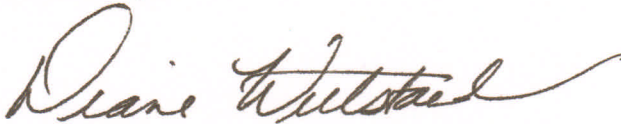

February 21, 2009

It is my pleasure to inform you that Roxanne Boardman was a Troop Leader for Shullsburg Junior Troop 292 for the 2007 - 2008 school year. The Junior Troop consists of fourth through sixth grade girls with ages ranging from 9 until 12 years of age.

Roxanne made a wonderful contribution by stepping into the position very quickly after the previous Junior Troop leader retired. She did not have much time to get up to speed and she did a great job with those girls.

We look forward to having Roxanne return to us as a Troop Leader in the future as we feel she is a great asset to the Girl Scouts of Green Hills Council. If you have any questions feel free to contact me.

Sincerely,
